

# COVID-19 and Vaccination Requirements Policy

Policy Number: 12-

- x Our masking protocol exceeds the Framework, but we believe it is a wise precaution. Faculty and staff may request that students leave a classroom if they are not complying with the mask protocol. A failure to follow the directive of a faculty or staff member is a violation of this Policy.
- x All students, staff, and faculty, and visitors to campus must complete the on-campus check in procedure (as is currently the caTw (s)-2 ( i)2.7 (s)-2.1)5.9l.6 (f)44c7

## CONCLUSION

- x This Policy is the University's long-term plan to manage life with the risk of COVID-19 and its variants. It is very clear that COVID-19 will be with us for the foreseeable future, and we will take necessary precautions and actions to ensure continuity of operations within this context. We need to acknowledge the excellent science that informs our decisions, that has produced the effective vaccine regimens to which we now have access, and that now informs our response to COVID-19 and its variants. All components of this Policy and adherence to its requirements must be in place for this to be effective.
