

## Loyola/Vanier Move Out Cleaning Instructions

Following is a list of cleaning instructions that you **MUST** follow before you check out of residence. Your room will be inspected by residence staff once you have completed your final exam. Your student account will be assessed the cost of cleaning and repair to correct any problems if these instructions are not followed.

You are **required** to have your RA inspect your room with you before you leave residence. Please contact your RA and they will arrange to do an inspection with you.
