(https://www.researchinfosource.com/top50_univ.php). In the latest ranking (2021 fiscal year), Saint Mary's was listed 47th (and having been as high as 44th in recent years, and having stayed in the top 50 consistently since 2002). Given that virtually all Canadian Universities have increased their research activity over this time period, for Saint Mary's to achieve, and maintain, this ranking is remarkable. Even more impressive is Saint Mary's performance in Research Info Source's "Research University of the Year" (RUY) ranking, which measures not only input of external funding to support research, but also the intensity and impact
